VOLUNTEER RESEARCH ASSISTANTS NEEDED!

Application deadline is Friday, March 31st (rolling-basis)

We are looking for motivated undergraduates who...

-  Are interested in developmental research
-  Can commit to 6-8 hours/week for at least 2 terms
-  Have great communication skills and attention to detail
-  Able to begin ASAP

Volunteers will be trained to assist with research coordination tasks involving our many developmental studies across seven research centres, engage in database maintenance, social media management and content creation and recruitment initiatives. This is a great opportunity to gain invaluable hands-on research experience.
